

GRANA

The Wine list here at Grana celebrates the wonderful small producers of Australia and Italy (ok, and a bit of champagne). Most if not all our producers work with sustainable viticultural techniques, adopt organic or biodynamic processes, and faithfully produce wine that lives and breathes as an expression of the culture and the place that birthed them.

If you'd like a broader selection, please tell our team; we're more than happy to borrow from the list at Lana.

Feature Winery: Serere, Beechworth & Whitlands High Plateau, Victoria

Former chef Joe Warren established the Serere Project in 2018 with the goal to express the subregions and varieties that make north-eastern Victoria Special. From the latin word meaning bound or interwoven, Serere wines have become emblematic of complexity interwoven with terroir and texture.
